- **PROPERTY VIDEO** – We will come to your property and take a video which will be uploaded on our YouTube channel and will also be featured on your property listing. Many of our clients are overseas and can't visit the property straight away, showing a video is a great way to get interest in your property, we have also sold properties just from detailed information and videos. The video also allows for extra exposure on the website (*Terms Apply): (*Price depends on size of property.)
